

# Responsible Finance FinTech Program

**INTRODUCTION** The Responsible Finance Fintech Program seeks to develop FinTech Startups' capabilities in responsible finance and sustainability. The goal is to help FinTechs build new skills and develop an innovation mindset to help them implement responsible finance in their firms and meet the needs of the finance ecosystem in the MENAT region

**PROGRAM STRUCTURE** The FinTech Program provides education and technical hands-on activities delivered in three modules; Sustainability, Responsible Finance and Impact Strategy over 10 weeks. Participants receive a certificate upon successful program completion.

**BENEFITS** Selected FinTech startups receive early intervention in their growth strategies to make them better equipped to deliver innovations required by other financial sector stakeholders and accelerate adoption of responsible finance practices & impact measurement.

**TARGET PARTICIPANTS** All applicant FinTechs should have:

1. Demonstrated interest in incorporating responsible finance
2. Presence in the Middle East, North Africa and Türkiye (or interest in setting up a presence in the GCC in the near future)
3. Been operational for two (2) years, or able to demonstrate traction
4. Availability for 60-90 min. weekly meetings during 10 week program

**SELECTION PROCESS**

1. **Application submitted**
2. Review by the program organisers
3. Oral and/or written interview with shortlisted applicants
4. Final Selection when all participants will be informed of the outcome
